

SUPPLY-CHAIN COUNCIL

News

Supply-Chain Council

The Supply Chain Council is proud to host events advancing and promoting supply chain knowledge worldwide. Here's a quick list of upcoming supply chain events and SCOR® training being offered by the Council. Opportunities include industry meetings, free Webinars, and training workshops. Successful completion of the SCOR Framework and SCOR Project workshop makes you eligible for [SCOR Professional Certification](#).

Conferences:

Munich [Supply Chain World - Europe](#)
24-26 October

SCOR Training Workshops:

Did you know that the Supply Chain Council offers SCOR training customized to your business requirements at your location? More and more companies are choosing [in-house group training](#) delivered by certified SCOR instructors to develop the knowledge and capabilities of their supply chain managers as a team, and reduce travel expenses.

Below is a listing of the upcoming public workshops. For more information on training, contact Melinda Spring, mspring@supply-chain.org.

The APICS Certified Supply Chain Professional Job Task Analysis project will validate the knowledge and skills required of individuals working in supply chain management roles, and is looking for 5 Subject Matter Experts willing to participate in creation of a task list for the survey. If you are interested in participating or know of someone who may be, names and contact information can be forwarded to Pepper Zenger, pzenger@apics.org, 773-867-1810.

Nominations Open for Supply Chain Excellence Awards

Please note that our annual Supply Chain Excellence Awards submission deadline has been extended to 31 March 2010. These awards highlight world-class organizations that have recently completed a key supply chain improvement project and recognized the value gained. We encourage you to submit a nomination in any of the following categories:

- Supply Chain Operational Excellence
- Supply Chain Academic Excellence
- Supply Chain Management Technology Excellence

This year's Global Awards for Excellence Ceremony will be held during the Supply Chain World Europe conference in Munich Germany, just before the evening reception on 26 October 2010.

For general information and questions, please contact the Supply Chain Council Headquarters at +1 202 962 0440; or visit the website at www.supply-chain.org; email info@supply-chain.org.
