

## Deadline Extended for 2010 Supply Chain Excellence Awards Submissions

Supply Chain Council (SCC) will hold this year's Global Awards for Excellence Ceremony during the Supply Chain World Europe conference in Munich Germany just before the evening reception on 25 October 2010. Due to this ceremony time change, **submissions will still be accepted** for all categories (except the U.S. Department of Defense Operational) until **31 March 2010**. [DoD submissions remain due by March 1.](#)

This provides more time to apply for recognition from SCC and the global trade press as a winner of the SCC Supply Chain Excellence Award.

Since 2001, SCC has honored organizations who demonstrate excellence in supply chain operations and management through implementing SCOR® supply chain projects. The Award highlights organizations across industries and geographies that have gone above and beyond in the pursuit of supply chain excellence. Nominate your project. We encourage you to submit nominations in any of the following categories:

- Supply Chain Operational Excellence
- Supply Chain Academic Excellence
- Supply Chain Management Technology Excellence
